

On Monday, February 14, 2011 Action Ambulance Service started providing Emergency Ambulance Services to the City of Pittsfield

Action has hired an additional thirty (30) employees (full time/part time) to fill the staffing needs for the EMS system. The Pittsfield employees are extremely motivated and excited about the opportunity to be part of our award winning organization.

WE ARE STILL LOOKING FOR DEDICATED INDIVIDUALS TO JOIN OUR TEAM.

Action Ambulance Service prides itself in being a nationally recognized award winning company. The positive recognition we receive differentiates Action Ambulance Service from the competition and demonstrates our value and commitment the communities we serve.

You deserve to ask  
yourself this question:

***Would you rather work for someone  
who is worried, or do you want to be  
a part of the award winning team  
they are worried about?***

*If you have questions, want rumors clarified, or just want to chat about your future, call Jim locally, or Mike, the CEO.*
